erol healthcare

swiss made

erol healthcare LIGHT CREAM gleicht den Lipidmangel der Haut aus und wirkt gegen Reizzustände, Schuppenbildung, Brennen, die Hautrötung und Juckreiz. Aktive Stoffe von Hamamelis virginiana (Witch Hazel) unterstützen das Barriersystem empfindlicher Haut. Speziell für anspruchsvolle und sensitive Haut geeignet. Feuchtigkeitsspendend und nährend. Aktiver Langzeitschutz.

erol healthcare LIGHT CREAM 2 - 3 mal täglich oder bei Bedarf in die Haut leicht einmassieren. Kontakt mit den Augen vermeiden!

Dermatologisch getestet.

erol healthcare LIGHT CREAM compensates the lipid deficiency of the skin and is effective against irritations, burning, skin reddening and itching. The active ingredients of Hamamelis virginiana (Witch Hazel) strengthen the barrier system of a sensitive skin. Specially suited for difficult and sensitive skin. Hydrating and nutritive. Active long-term protection.

Apply **erol healthcare LIGHT CREAM** 2 - 3 times daily or as required by a light massage. Avoid contact with the eyes!

Tested in dermatology.

INGREDIENTS: Hamamelis virginiana (Witch Hazel) Extract, Aqua (Water), Alcohol, Paraffinum Liquidum (Mineral Oil), Methylpropanediol, Glycerin, Urea, Isopropyl Myristate, Potassium Cetyl Phosphate, Panthenol, Tocopherol, Sodium Palmitate, Stearic Acid, Palmitic Acid, Ethylhexylglycerin, Sodium Benzoate, Acrylates / C10-30 Alkyl Acrylate Crosspolymer, Phenoxyethanol, Parfum (Fragrance).
